**EZZENTIAL MINERAL  
FOR BETTER HEALTH**

**All New Roots Herbal Products Are Tested  
in Our ISO 17025–Accredited Laboratory**

# Ultra Zinc

Zinc is essential, among other biological roles, for the function of over 300 enzymes. Around 10–35% of Canadians consume zinc in inadequate amounts, including over 40% of men above 70 years of age.

If you are zinc-deficient, supplementing with one of New Roots Herbal's zinc products can help you support your immunity and reinforce your vitality.
