

# NEW PRODUCT

Wear-and-tear, chronic inflammation, and aging all contribute to cartilage deterioration. This can lead to pain, stiffness, and reduced range of motion. Don't let these factors limit your mobility or affect your active lifestyle.

## Vegan Glucosamine helps to maintain cartilage and healthier joints!

- Especially important for weight-bearing hips and knees
- Easily absorbed for maximum benefits
- Results within as little as a month
- Vegan-friendly and free from shellfish allergens
- Convenient 2-capsule daily dosage
- Potency-validated in our ISO 17025–accredited laboratory

All New Roots Herbal products are tested in an ISO 17025–accredited laboratory
